

Evaluation

Søren I. Olsen

Department of Computer Science
University of Copenhagen

VIP evaluation 2015-16

- Did the course live up to the course description?
- Did the course live up to your expectations?
- Did you like the selected topics?
- How was the assignments?
- How was the lectures/exercises?
- Did you get sufficient feedback?
- Should we use the book of Forsyth and Ponce (2ed) more heavily?
- Anything else?

Now, its your turn
